Web Portfolio: <https://web-portfolio-2mk.pages.dev/>

I am a person with many desires to improve, committed and responsible, with the ability to adapt and work as a team. I would love to be part of a company that allows me to learn, grow and develop professionally and personally, contributing the best of myself for our benefit.

EXPERIENCE

WEB DEVELOPER

Grupo Intertab | Internship
MARCH 2024 – APRIL 2024

I worked in two main projects, one of them was creating a nice looking and responsive website for Intertab and also created a web panel administration for a NAS device with ReactJS and NodeJS.

COSTUMER SERVICE AGENT

SYKES | Full-time
APRIL 2020 – AUGUST 2020

Resolving fraud situations and claims or disputes with the Customers from United States and Canada for the Customer Protection Resolution Team of Capital One Bank.

EDUCATION

INFORMATION TECHNOLOGY DIPLOMA

Colegio Universitario Cartago | 2020 - 2024

Information technology diploma whose focus is software engineering. I acquired knowledge about different programming languages, relational databases, operating systems, networking and more skills for web development.

WEB DEVELOPMENT

Udemy | 2022 – Currently

Expanding my web development skills through self-directed learning on Udemy, completing the following comprehensive courses such as “ReactJS de cero a experto” by Fernando Herrera, “JavaScript Moderno ES6+ Guía Definitiva” and “HTML, CSS: La Guía Completa” by Juan Pablo de la Torre and more, so I always stay updated with the latest web technologies and best practices.

CCNA (CISCO CERTIFIED NETWORK ASSOCIATE)

Virtual Learning Academy | 2022 – 2022

Learning to understand and control the configuration of telecommunications equipment such as routers and switches, how to internet works, as well as all the topics included in the Cisco CCNA 200-301.

ADVANCED ENGLISH LEVEL (B2+)

UNED | 2017 - 2020

English program for adults advanced level B2+ According to MCE with an effective duration of 600 hours.
